

Some of the Greenslit farmland in Birch Coulee. Brian and Gloria Greenslit's farm is just North and a little East of the "19". Go West from his driveway, turn North at the intersection and drive a mile North. Turn East and drive a half mile. Then turn North and go another mile and a half until you reach County Road 2. A lot of this land is owned by Mont's decedents. Feel free to pick some rocks, as the Greenslit's have been doing for quite some time.
